

How to: Access Edmentum at Home

Step 1: Go to your internet browser.
(Note: “Google Chrome” works best!)

Step 2: Students will be prompted to sign in with a Google account.

NOTE:

ALL students have a BPS Gmail account, using the same credentials:

firstnamelastname.student(grad year)@bpsne.net

Examples:

johnsmith.student30@bpsne.net

Grade Level/Graduation Year Credentials:

Kindergarten: .student32@bpsne.net

1st Grade: .student31@bpsne.net

2nd Grade: .student30@bpsne.net

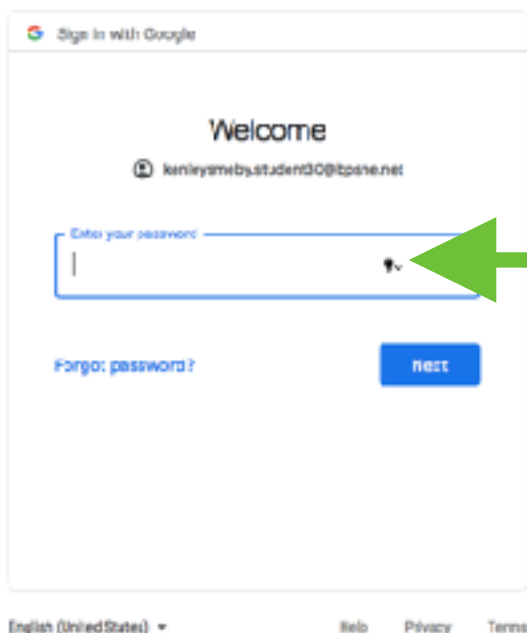

3rd Grade: .student29@bpsne.net

4th Grade: .student28@bpsne.net

5th Grade: .student27@bpsne.net

6th Grade: .student26@bpsne.net

Step 3: Students will be prompted to type in their password.

NOTE:

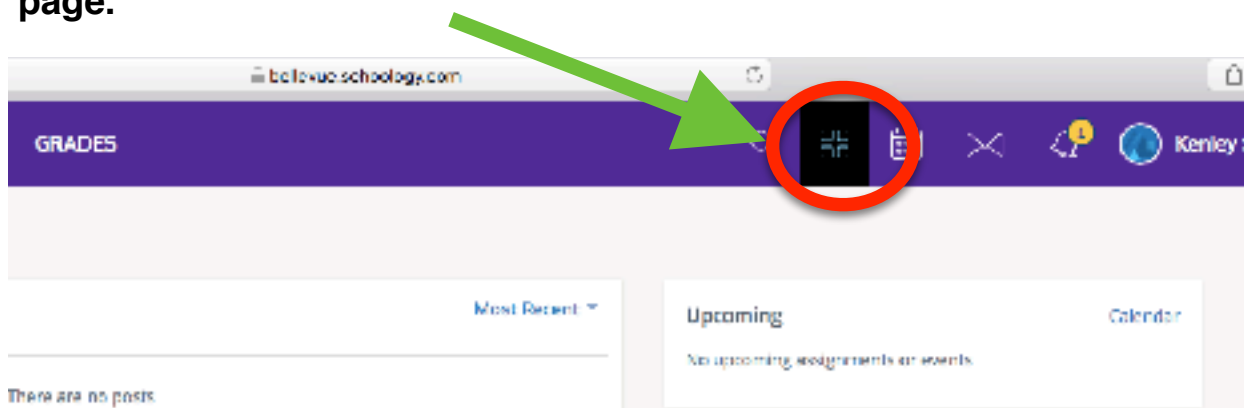

ALL students have a common BPS password-

bps(lunch number)

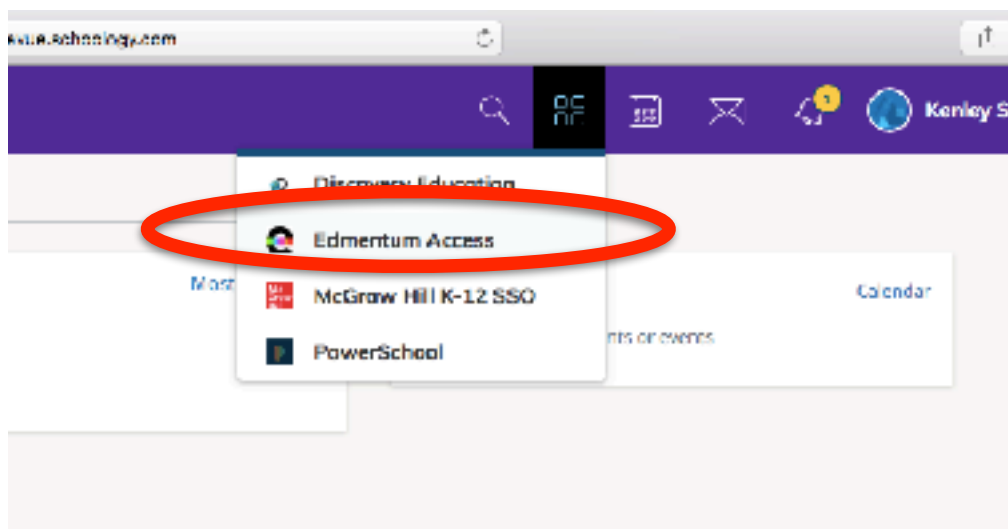

Examples: John's lunch number is 95600
password: bps95600

Susie's lunch number is 100045
password: bps100045

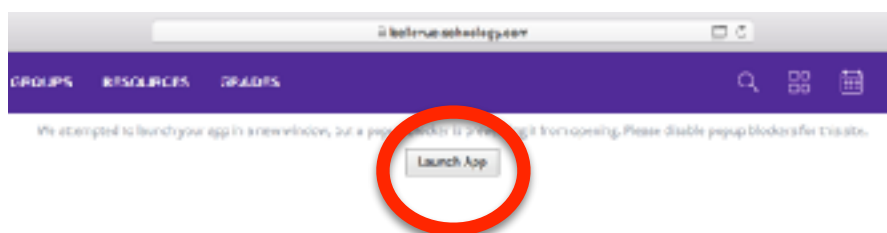

Step 4: Students will see their “landing page” for Schoology. Look for the “waffle” or “four squares” icon along the top, right corner of the page.

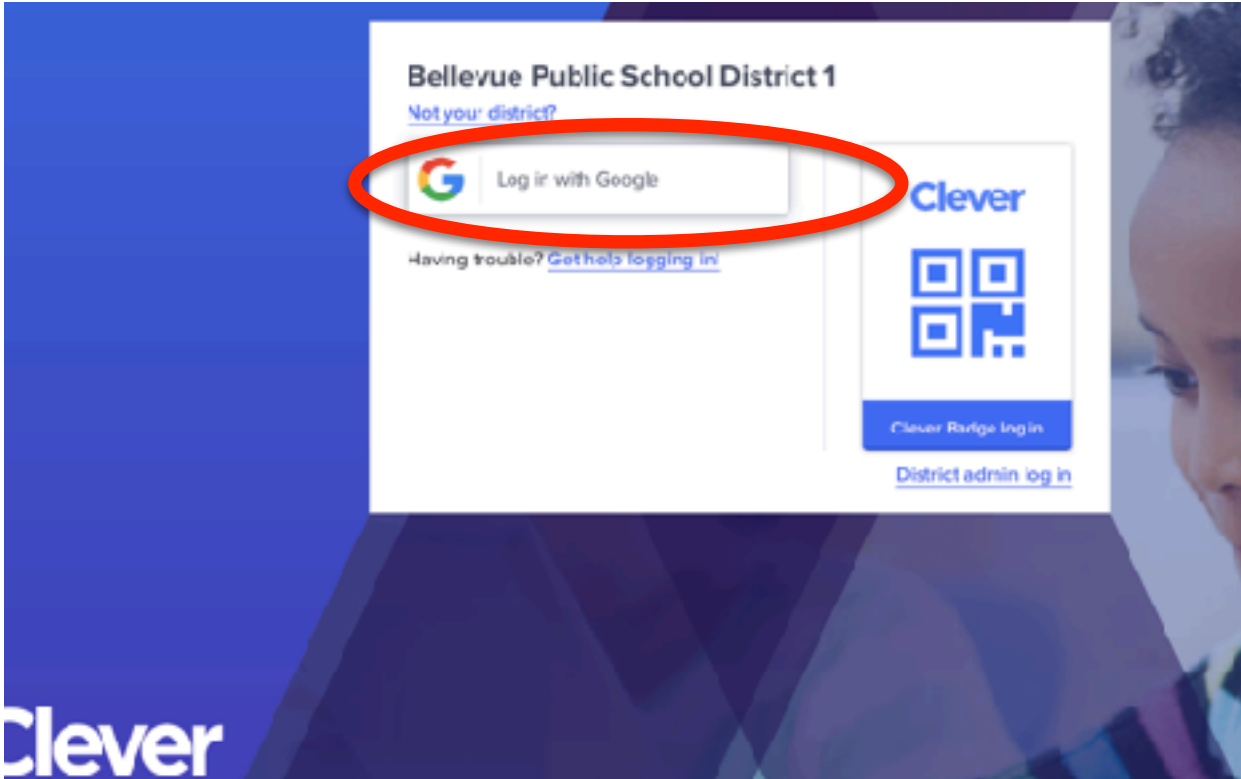

Step 5: Students will click on the “waffle icon”. A drop down menu should appear. Have students select “Edmentum Access”

Step 6: Students will see a “launch page”. Click on “LAUNCH APP”.

Step 7: Students will see a Clever Launch Page. Click on “Log in with Google”

Step 8: Students will see their Edmentum Landing Page. Students can select “Start Math” or “Start Reading” Learning Paths to access their individualized learning activities!
